The Undersigned represents to the Town of Southampton, including its agencies, departments, employees and officers as follows:

1. He/She has read and is familiar with the provisions of the Flood Damage Prevention Local Law codified as Chapter 169 of the Town Code.
2. He/She submits this certification consistent with the requirements of Section 169-15, Town Code.
3. The plans and specifications accompanying this certification are designed in the undersigned's professional judgment to comply with the requirements of Chapter 169, Town Code, including by way of illustration and not limitation, to prevent flotation, collapse or lateral movement of the swimming pool depicted on those house plans.
4. The swimming pool is not attached to the adjacent residence structure.
5. The base of the swimming pool is not supported by fill.

The undersigned represents and states that he/she is a licensed professional engineer or architect and he/she submits this certification knowing that the Town of Southampton, its agencies, departments, employees and officers rely upon the truth of its contents and that the design and methods of construction to be used in connection with the construction of the swimming pool depicted on the annexed plans and specifications are in accordance with accepted standards of practice and in accordance with all applicable provisions of Chapter 169 of the Town Code.
